FEATURED ARTIST OF THE MONTH: Carol Bouville

Carol Bouville spent much of her early adult life in Toulouse and Paris, France, and New York City, and earned a Master's Degree at the Sorbonne in American Literature. She taught English and worked as a translator, and visited many of Europe's major museums. Traveling extensively in Europe, and visiting Asia, Africa, and South America stimulated her curiosity and raised her awareness of other cultures. She expresses those experiences in her work, with colorful, active, and energetic surfaces.

Carol loves seeing the beauty of light reflecting through the layers of transparent watercolor, and she experiments with collage and mixed water-media on paper and canvas. She is a member of the Potomac Valley Watercolorists and the Baltimore Watercolor Society, and is a resident artist at Washington Artworks in Rockville.
