FEATURED ARTIST OF THE MONTH: Marta Lopez Teigeiro

Marta Lopez Teigeiro is originally from Spain, and came to the U.S. as a teenager to pursue her dream of becoming an artist. She settled in Maryland and studied graphic design, working in that field while raising a family and participating in art events. She currently teaches art to students of all ages. Her award-winning work has been accepted in juried shows, and has become part of local and international art collections.

While **Marta** works in many media, she especially enjoys watercolor and loves acrylics' chameleon-like qualities. The transparency of watercolor and the effects it creates as it floats and dries on paper drew her to the water media. The bright light that filled the first few years of her life in Spain is still a constant source of inspiration.
