FEATURED ARTIST OF THE MONTH: April Rimpo

Having traveled extensively across the United States and abroad, **April Rimpo** captures and shares her experiences in her bold acrylics and watercolors. Her engineering background taught her to see the world in a broad expansive way, and her work allows the viewer to experience new cultures and people of far-off places from different perspectives. Two of her paintings are included in *AcrylicWorks 3: Creative Textures*, a 2016 North Light book.

April's award-winning artwork has been featured in solo and group exhibitions, and she has achieved Signature Member status in the Baltimore Watercolor Society, the Washington Water Color Association, and the Illinois and also Pennsylvania Watercolor Societies. Visit her website and blog to read the newsletter she writes about her art and upcoming art events.
