FEATURED ARTIST OF THE MONTH: James Vissari

James Vissari records the enchantment of nature and daily experiences in his paintings. He is inspired by engineering, physics, color and light, and loves to paint outside. He has received numerous awards, and his paintings sell almost as fast as he displays them. He's a member of MAA, the Rockville Art League, and the plein air group of Silver Spring.

James is from Rockville, and attended the Corcoran School of Art, Montgomery College and the University of Maryland. He has enjoyed travel to interesting locations to be able to paint, including the Grand Canyon, the Great Pyramids, Paris, Santa Monica, Hawaii, and across the northeast coast of the United States.
